REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the positive recitation of the nozzle engaged to the end of the pipe in the last two lines of newly added claim 9 is a feature not previously positively recited and in combination with the other elements now renders the claims allowable in view of Broussalian, Jones, and the other prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
